Soft Skills	Communication, Teamwork, Time Management

EXPERIENCE

Technical Member Google Developer Students Club	Apr 2024 - Present <i>SRM University, Kattankulathur</i>
---	---

- Team member in developing the GDSC Website
- Was a key to optimize 15% of the site and refined the codebase
- Authored using React, Next.js and Typescript

Technical Associate Microsoft Learn Student Ambassador	Sept 2023 - Present <i>SRM University, Kattankulathur</i>
--	--

- Participated in few club events

PROJECTS

- Created **AcademiaPro** with my friend, a student portal for SRM IST, utilizing the student's data and displaying it in the best way. Redesigned using Next.js, Typescript and Cheerio. Over 25,000 people have used under a month, with 1,00,000+ views within a month!
- Developed **Unix dots**, a comprehensive marketplace for Linux users to discover and share dot files such as themes and icon packs, developed using HTML, CSS, and JavaScript; achieved 100+ stars on GitHub
- Created **simply-djs**, a third-party module for a Discord bot framework utilizing JavaScript/Typescript in Node Package Manager; garnered over 400,000 downloads annually, demonstrating significant user adoption and engagement

EXTRA-CURRICULAR ACTIVITIES

- Actively writing **blog posts** and social media posts ([LinkedIn](#)) viewed by over 5K+ people.
- Founded a community of more than 300 people to help people their dream projects.

LEADERSHIP

- Founder of the [Simply Develop Discord community](#) with over 300+ developers. Actively involved in developing, mentoring and helping other developers, and more alongside other admins and a team of volunteer moderators!

LANGUAGES

- **English** - Proficient
- **Tamil** - Native
- **Hindi** - Elementary
